

Sector sustainability statement pledge

I, _____, (name) hereby pledge to support Mental Health Australia's Sector Sustainability Statement, which outlines seven key actions to deliver greater stability and support to the Australian mental health sector.

If elected at the 2025 Federal Election, I will do all I can to ensure these seven changes are actioned as a priority, so that more Australians can receive world-class care, treatment and support.

Increase duration of service agreements up to 5 years

Include adequate indexation in service agreements

Introduce 6-month notice period for contract changes

Fund mandated employment requirements in service agreements

Introduce minimum notification periods for funding decisions

Simplify and standardise contract reporting

Explore new procurement approaches

I pledge to be a champion of the mental health sector and work with Mental Health Australia over the next term of government to improve access to quality mental health care across Australia.
