

MEMBERS OF THE COMMUNITY

ARE INVITED
TO ATTEND A

Workshop

Hosted by Worklink

This workshop aims to provide you with a set of *basic skills* to assist you in recognising when someone may be at risk of suicide, and ways of responding to that person's need.

Each person who takes part in this workshop will receive a folder of resource materials, including a copy of the FNQ Suicide Prevention Taskforce *Preventing Suicide: Awareness and Support Handbook* and the *Cairns Community Flowchart*.

Come along and join us for this informative workshop
